GOVERNMENT FUNDING RESEARCH

Methodological Research to Support the Redesign of the National Crime Victimization Survey: Screening Questions

US Department of Justice, Bureau of Justice Statistics (BJS)

Program: The National Crime Victimization Survey provides data about crime, its victims and the consequences of victimization that inform the public and support innovative strategies and approaches for dealing with the challenges that crime presents. The purpose of this project is to undertake a comprehensive analysis of the current and pre-redesign crime screening questions.

Award: 1 award

Eligibility: Non-profit organizations, for-profit (commercial) organizations, faith-based and community organizations, institutions of higher learning, and consortiums with demonstrated organization and community based experience working with American Indian and Alaska Native communities, including tribal for-profit (commercial) and nonprofit organizations, tribal colleges and universities, and tribal consortiums

Deadline: July 14, 2009

Application Guidelines/Submission: Visit the website for complete application guidelines/submission.

Website: <http://www.ojp.gov/bjs/pub/pdf/mrsrncvssqsol.pdf>

Building and Enhancing Criminal Justice Researcher-Practitioner Partnerships

US Department of Justice, National Institute of Justice (NIJ)

Program: NIJ is seeking applications for funding to support criminal justice researcher-practitioner collaborations. This solicitation will fund three areas: capturing of past and current accounts of criminal justice research-practitioner partnerships, junior faculty grant program to promote criminal justice researcher-practitioner partnerships, and criminal justice researcher-practitioner fellowship placement program.

Award: NIJ anticipates funding multiple awards in each area; a total of up to \$1 million may become available for awards

Eligibility: States, Territories, local governments, federally recognized Indian tribal governments that perform law enforcement functions, nonprofit and profit organizations, tribal nonprofit and profit organizations, institutions of higher education, tribal institutions of higher education, and certain qualified individuals

Deadline: July 20, 2009

Application Guidelines/Submission: Visit the website for complete application guidelines/submission.

RESEARCH**Advancing Criminal Justice Policy, Practice, and Technology**

US Department of Justice, National Institute of Justice (NIJ)

Program: NIJ seeks applications for funding of specific innovative, high-payoff projects and activities fostering the adoption into practice of new, cutting-edge policy, practice, and/or technology related to: courts, crime and crime prevention, drugs and crime, forensic sciences, law enforcement, relevant technology and tools, and victims and victimization: increasing understanding of crime and justice issues, establishing a law enforcement research agenda, development of video standard, systematic assessments of extant criminal justice research, corrections technology demonstration, improving the accessibility and utility of research for policymakers, forensic science education for policymakers, forensic science education for law enforcement decision-makers, identifying technology, evaluation of low-cost aviation options for law enforcement, and corrections technology evaluation and assessment

Award: Total available funding: \$2 million; approximately \$250,000 per award

Eligibility: States, Territories, local governments, federally recognized Indian tribal governments that perform law enforcement functions, nonprofit and profit organizations, tribal nonprofit and profit organizations, institutions of higher education, tribal institutions of higher education, and certain qualified individuals

Deadline: July 6, 2009

Application Guidelines/Submission: Visit the website for complete application guidelines/submission.

Community Relations Giving Program*Ameriprise Financial*

Program: Grant applications are being accepted from nonprofit organizations under the company's three philanthropic funding platforms: meeting basic needs, supporting community vitality, and volunteer driven causes. Meeting basic needs category, the company supports programs and services that help at-risk populations stabilize their lives and become more self-sufficient. Consideration will be given to programs that help provide food, shelter, and self-sufficiency. The supporting community vitality category supports programs and services that build strong communities by creating economic vitality and cultural enrichment. Support is provided in the areas of community development, cultural enrichment, civic leadership, disaster response and recovery, and environmental awareness. The volunteer driven causes category allows Ameriprise employees, advisors, and retirees to help determine where and how a portion of the grants are directed.

Award: The minimum request amount is \$5,000. Proposals will be evaluated based on the merit of the request and level of Ameriprise Financial volunteer involvement.

Eligibility: Nonprofit organization with 501(c)(3) IRS status or 509(a)(1,2, or 3)

Deadline: September 1, 2009

Application Guidelines/Submission: Visit the website for complete application guidelines/submission.
