This call is to assist domestic violence and sexual assault providers better understand the provisions under HIPAA and their application to advocacy programs that have relationships with health care facilities. □ Please read the

materials attached to prepare for the call. The Family Violence Prevention Fund materials refer to domestic violence programs but generally have similar applicability to sexual assault programs. Both attorneys are familiar with the regulations and will be available to answer questions of participants.

□

The Family Violence Prevention Fund invites your participation on the 2004 National Conference on Health Care and Domestic Violence: Health Consequences Over the Lifespan, to be held Oct 22-23, 2004, with pre-conference sessions on Oct. 21st in Boston, MA.
